Welcome to the 15th Annual LSAM State Track and Field Meet

The Lutheran Schools Association of Missouri is proud to welcome the athletes, coaches, parents, and spectators to the 2017 LSAM State Track & Field Championship Meet. **This is the 15th Anniversary of this event!** We are looking forward to a large gathering of athletes and fans. We have worked hard in planning this meet and hope everyone enjoys the day.

This year's competition should be just as exciting whether you are an athlete, coach, family member or spectator. Our goal for this meet goes beyond simply the competition that will take place. As a Board we pray friendships are started or renewed; competition is done in a Christian manner; and the day is enjoyed by all and we all have some fun! Above all we strive to give honor to God who has truly blessed each one of these athletes with an extraordinary talent. You have made it to the State Track and Field Championship, something not everyone has been able to achieve yet. Today will create many memories for you!

Saved to Serve,

Charles R. Dreessen
