

Team Gift Exchange

We would like for your team to provide a Goodie Bag for each member of the team listed on the Gift Exchange Log. You may put any type of creative little things in it that you believe another girl would enjoy. A list shares some ideas. You may either have one mom take control of the project, or organize it, and each girl may bring one item for however many bags your team will be making. Also, please remember the other coaches and do a Goodie Bag for the number of coaches on the other team. Then, get together as a team and fill your bags. Have fun with this project! Each year the players really look forward to the grand exchange on Friday evening.

Some ideas for the Goodie Bags...
