

Lutheran Sports Association of Missouri, Inc.
State Basketball Tournament
GRADE SCHOOL RULES
(Latest Revision: December 2017)

FORMAT

- 1.01** There shall be two divisions based upon sex and as further defined herein.
- 1.02** The number of teams in each State tournament will be based on the number of team applications received. The maximum total number of teams to be selected for participation during the State weekend shall be twenty-four (24). The Board of Directors' goal is to have at least 12 schools apply in each division so each tournament is an even 12-team formatted bracket. Some years we do not have 12 applications for each division. Examples of this would be as follows: 17 boy's teams apply and 11 girl's teams apply. The tournaments would be set as a 12-team boy's tournament and 8-team girl's tournament. The most either division can accept is sixteen (16) as long as there are only eight (8) applications in the other.
- 1.03** The State Tournament shall be conducted on a single elimination basis with a consolation bracket, in which a team will continue to play after a loss in a first round game.
- 1.04** Each team will be guaranteed to play a minimum of 3 games and play on Sunday. Depending on the number of teams selected, teams submitting entry applications must be prepared to play a game on Friday evening of the tournament, 2 games on Saturday, and/or perhaps 2 games on Sunday.
- 1.05** The State Tournament shall be conducted annually during the last week of February or the first weekend in March depending on gym space and availability.

TEAM SELECTION CRITERIA

- 2.01** The LSAM Board of Directors of the Lutheran Sports Association of Missouri, Inc. (LSAM) shall select, or cause to be selected by whatever means is appropriate in the circumstances, the most representative teams from across the state (see rule 2.03) for participation in each division.
- 2.02** The LSAM Board of Directors reserves the right to require preliminary playoffs in circumstances where, in the opinion of the Board of Directors, more entries are received for a division than can be accepted for participation and strength over another team cannot be determined. This game would be played at a neutral site located between the two schools.
- 2.03** There are no automatic bids. Teams will first be considered for participation in this "Tournament of Champions" by virtue of: (1) winning their league (2) winning a tournament, and/or (3) possessing a winning record. All other teams will be selected based upon applications received from each area the teams are located in (also see Rule 2.01).
- 2.04** Any team that is not considered according to rule 2.03 can be considered to be an "At Large" team. "At Large teams" will be evaluated and selected based on their state region (see Rule 2.05). If an area has no qualifier or does not have an "At-Large" team apply, then other teams that have applied and are not selected from within their area will be considered by the Board of Directors for participation as an independent representative.

- 2.05** Schools are assigned to the following areas. These areas will be evaluated by the Board of Directors on an annual basis to adjust for the opening or closing of schools.

Area 1: St. Louis Small School Division

Area 2: St. Louis Large School Division

Area 3: Southeastern Schools around Cape Girardeau and Farmington

Area 4: Southwestern Schools around Springfield

Area 5: Central Schools around Jefferson City

Area 6: Western Schools from Concordia to Kansas City

LSAM desires to have the best team from each Area apply in order to represent that part of the State no matter what their record is. It is a 'State' Tournament and any team can have 'its day.' LSAM is careful not to put too many teams in the 'State' Tournament from the same league or area of the state.

- 2.06** Any late application received or not completed until after the entry deadline will be considered as having been received from an "At Large" team (see Rule 2.04) and will be accepted only if a State Tournament berth is available and time still remains to organize the State Tournament Weekend. The selection committee will give precedence to applications that are turned in by the deadline.
- 2.07** To be considered for selection, each team must submit an application in the format directed by LSAM no later than the deadline set by the board. This deadline is about one month before the 'State' tournament. All details can be found on the LSAM.org website. This application can be submitted by following the instructions posted on the LSAM website on the Basketball page. Not all leagues play their seasons at the same time and LSAM wants all schools to have a chance to participate in the State Tournament. Turn in your application by the deadline and include any attachment that would help the selection committee determine if your team should get invited.

TEAM ELIGIBILITY

- 3.01** Teams must be established squads that have represented a Lutheran grade school in an established league or tournament during the current basketball season.
