

Qualifying Standards for the LSAM State Track Meet

Coaches should consider the following guidelines to determine which athletes should go to STATE:

1. Any athlete that a coach feels deserves to participate in the STATE Tourney may enter. If the athlete has great practice times, works hard, has been dedicated to the program, or has finished in the top 6 at any 7th and 8th grade level track meet, he/she should be considered. This would be especially true for any 7th or 8th grader.

2. Below are times and distances to use as a guideline to determine who from your school deserve to go. These are helpful for 7th and 8th graders, but should definitely be used before a coach allows any 5th or 6th grader to compete at the state level. Please try to enter athletes that are close to these suggested guidelines.
